

BRAND STYLE GUIDE

This brand style guide is essentially an instruction manual and rule book on how to communicate your brand.

This helps to ensure that your brand image stays consistent no matter where it shows up. Following this will pay off big time in the long run, as your company will generate the familiarity and reliability that open the doors to brand loyalty.

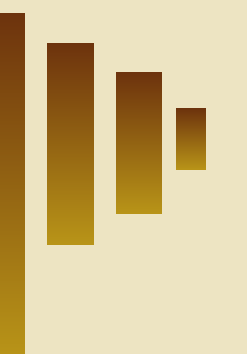

### THIS STYLE GUIDE INCLUDES:

**01 LOGOS:** full logos, secondary logos, and icons

**02 COLOR PALETTE:** primary and secondary colors

**03 TYPOGRAPHY:** font styles, sizes, and spacing

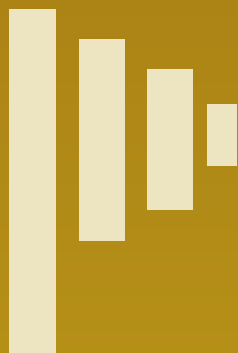

**04 LOGO USAGE:** do's & don'ts

LOGO CONSTRUCTION

**RED PADDING** indicates the logo's Clear Space; an area where other elements must not encroach into. In order to allow the logo to breathe, we use the **Clear Space** as a spacial/white space buffer

**X = height of the smallest rectangle in the icon**  
The logo and Icon's Clear Space is equal to X

DO'S & DONT'S

DONT'S : SAMPLE USAGE

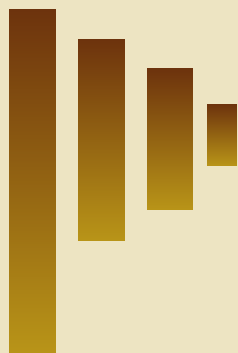

**Don't distort the logo:**  
Never resize the logo that will make it lose it's proportion

**Don't use colours other than the brand colours**  
Only colours indicated on the guidelines are suggested

**Respect proportions**  
Do not resize logos that will affect its ratio and spacing

DO'S & DONT'S

DONT'S : SAMPLE USAGE

**Observe proper contrast**  
Use the right color to contrast the background to make the logo recognizable

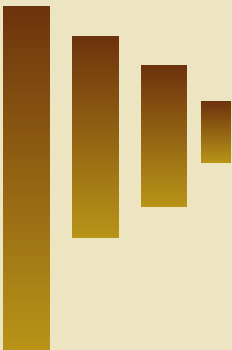

**Observe clear space**  
Allow ample space between the logo and other elements
